

Text: II Kings 2

To serve God you must be on the right road.

You must be willing to not turn back from what God has given you.

Everyone has a calling from God.

Three things are needed to serve God:

1. Follow His call
2. Follow the leader of God (as he follows God)
3. Do not let discouragement stop you

If you serve God, there will be obstacles in your way.

When you follow God, His leader, and ignore the distractions, God will open doors for you.

Elisha asked for double the spirit God gave Elijah.

If you ask God to bless you, there will be some responsibility that comes with it.

God expects faithfulness so He can trust us with blessings.

Conclusion: Are you serving God with all your heart?
