Text: Matthew 9:9-13

(vs.9) When God asks us to do something, we should do it.

(vs.10) Because Matthew answered and Jesus called, there was opportunity for sinners.

We are supposed to answer God's call to reach sinners.

(vs.11) Why is Jesus with them?

We need to have the same reputation of reaching those who are not being reached.

(vs.12) Only the sick need help, those who are sin-sick.

How to Know You're SICK

S in and situations I cannot control

I rreversible conditions as a result of sin

C an't fix it

K now that you need help

(vs.13) God wants a relationship, not an experience.

He wants... your friendship, not your fancy

faithfulness, not faithlessness

belief in Him instead of blowups

fervent prayer instead of a fiasco

your heart, not your pocketbook

love rather than just loyalty

Romans 10:9-13 – You should do what you do so people will come to know Jesus.

Closing: Why are you doing what you're doing?

Where are you with Christ?
